Dear Representative Janowski and Senator Duff,

It is with great enthusiasm that I support the appointment of Steven Reviczky as Commissioner of the Department of Agriculture (DOAG).

As Ranking Member on the Environment Committee, I have had the pleasure of working closely with the Commissioner. He is extremely knowledgeable on a wide range of public policy, agricultural, and environmental issues and is focused and committed to finding opportunities to strengthen the state's agricultural economy.

I ask you to support Steven Reviczky as the returning Commissioner of the DOAG.

Thank you in advance for your consideration.

Regards,
